## A Headless

# Ghost

A guard stood quietly outside a palace in England. Suddenly, a white **figure** began walking toward him. He looked for her head. There was nothing there!

The guard yelled at the figure to stop. But the headless woman kept coming. The guard charged her with a knife. But the knife passed right through.

## Spooky Ghosts

The guard claimed he had seen the ghost of Anne Boleyn. His story is just one of thousands of ghost stories. Ghost stories have been around for hundreds of years. But no one knows for sure if ghosts are real or **imagined**.

---

**Anne Boleyn was married to King Henry VIII of England. The king had Anne's head cut off in 1536. Some think she haunts places because of her cruel death.**

# Seeing Ghosts

Stories say ghosts come in many forms. And they act differently too. Some stories say ghosts look like real people. Others describe figures that are see-through or like bright lights.

Stories talk about ghosts that open and close doors. Some people have even reported seeing ghosts throw objects. But other stories describe ghosts that float by quietly.
