A **Mighty** Player

It was the 2012 Olympics. Team USA was playing a tough match. If it won, the team would play the final game. Less than one minute remained.

Alex Morgan saw the ball sailing toward her. She jumped and smashed the ball with her head. The ball soared into the net. Score!

Morgan showed great skills throughout the 2012 Olympics.

Olympic Gold

Thanks to Morgan's score, Team USA played the final game. They won the gold medal in soccer. But this was not Morgan's first big win. And it wouldn't be her last.

For years, Morgan's soccer skills have **impressed**. She's fast. She handles the ball easily. And she's a high scorer.
