Overcoming

Bullying

It had been a tough year for Bethany Mota. People had been **cyberbullying** her. She felt so sad. She stayed in bed most days. Nothing made her happy.

But then Mota started watching makeup videos on YouTube. The videos **inspired** her to make her own. Her first video showed the makeup she'd bought. It was the start of something big.

Huge Success

Mota **uploaded** her first video in 2009. She was 13 years old. She made more videos. Soon, she had 100 subscribers. By 2015, she had millions of followers. Mota is a **role model** for her fans. She inspires them to be who they want to be. And it all started with one video.
