Secret Sessions

The private messages went out to a few Taylor Swift fans. The messages told them where to meet for a special opportunity. But they didn't give more details. On the day of the event, a bus drove the fans to a house. They soon realized it was Swift's house. But they didn't know why they were there.

Superstar

The fans soon learned what was going on. Swift walked in. The fans screamed in delight. She had planned this surprise for months. Her new CD, *1989*, had not yet come out. She wanted her top fans to hear it first.

Taylor Swift is a superstar. She's won many **Grammy** awards. Her concerts sell out. And yet she still invited fans to her home. Many say her kindness is a big reason for her success.

Swift had five secret listening parties.
