# A Spooky Story

In 1898, a man wrote a book. It was about a ship called the *Titan*. In the book, the ship hit an iceberg. The ship sank. Years later, the *Titanic* set sail. The large ship hit an iceberg. Then it sank! Did the man **predict** it?

**predict:** to say something will happen in the future

## What Is It?

Many stories tell about people seeing the future. These people might have ESP. ESP is like a power. Some people say ESP lets them read minds. Others say they can talk to the dead.

## COMPARING BELIEVERS

About 41% of people around the world believe in ESP.

About 59% of people around the world don't believe in ESP.
