Meet the Bulldog

A bulldog yawns. It's comfy and sleepy.

But the dog gets up when it sees its owner sit down. It **pads** over to her.

The bulldog's bed was soft and warm.

But it'd rather be on its owner's lap.

pad: to move with quiet steps

Different Kinds

Bulldogs are short, heavy dogs. There are many types. Some are small. Others are bigger. They all have short coats. These dogs also have wrinkled faces.
