## A Cute and Playful

# BABY

Three fuzzy fox pups leap in the tall grass. They can't quite see over the top. The pups sneak up on each other. One pup pounces on another. Meanwhile, the third pup climbs a stump. Now they all want to climb up! The **clumsy** pups scramble over each other. They bump into each other and fall down. Time to wrestle!

## Hello, World!

Fox pups arrive in spring. There are about 12 **species** of foxes. Most types have five babies at a time.

Newborn pups are blind and deaf. They grow up quickly, though. About two weeks after birth, red fox pups' eyes and ears open. They can see and hear their fluffy family!
