A SNEAKY

Fighter Jet

It was December 2017. British

- • • **prime minister** Theresa May boarded her airplane. The plane took off. Suddenly, two Eurofighter Typhoons pulled up beside her plane.

Showing Off

The pilots tipped the Typhoons' wings. May saw the fighters' weapons. But she wasn't afraid. She knew this was a fake mission. The Typhoon pilots were showing May how easily they could sneak up.

The Typhoon is called a multi-role fighter. It hits ground targets and other aircraft.
