Unexpected

Lunch Date

A woman took a bite of her lunch. She didn't wash her hands first. She thought her hands were clean. But hiding on her hands were tiny eggs. She didn't know it, but she ate those eggs with her lunch.

Worms in the Body

Inside the woman's body, the eggs grew into roundworms. Roundworms are **parasites** that live and feed on people and other animals. These worms are gross. And they can make people very sick.

Roundworm Parts

Roundworm Symptoms

People with roundworms might have some **symptoms**. Other people won't feel any different.
