A Sleepy Baby

A koala joey hangs on its mother. With one **paw**, it reaches for a leaf. But the wind blows it away. That's OK. The joey is sleepy anyway. Time for a nap!

paw: the foot of an animal

Growing Fast

Newborn joeys are very tiny. After birth, they climb into their mothers' pouches. Joeys are safe and warm there. Inside, the babies grow fur and big ears. Their eyes open too.
