Meet the

Maine Coon

A large cat sits on the counter watching its owner wash dishes. Suddenly the cat leans in for a drink. The cat splashes water all over. Its owner laughs.

Maine Coon History

The Maine Coons' name gives a big clue to where these cats are from. They are from the U.S. state of Maine. **Colonial** settlers found these cats when they first arrived. No one is sure how they got there. But the cats **adapted** to survive the cold Maine winters.

Maine Coons are
the official state
cat of Maine.
