Meet the

Ragdoll

A Ragdoll cat waits at the door.

When its owner opens it, the cat looks up with its big blue eyes. Its owner can't help but pick the cat up. Then the cat goes **limp**. The owner chuckles. She knows her cat is happy and **relaxed**.

Like A Floppy Doll

Ragdolls are known for their funny floppy behavior. In fact, that's where their name comes from. A rag doll is an old-fashioned cloth toy. The cats droop like the soft doll when held.

Ragdolls were first **bred** in the 1960s in California.

They were bred to be big, **gentle** cats.
