# A Scary Story

Five planes fly over the ocean.

It's a calm day. But something's wrong.

The **compasses** aren't working.

The pilots are lost. They fly one way. Then another. Then the planes disappear. What happened?

**compass:** a tool used to find direction

## Missing

The planes went missing in the Bermuda Triangle. It's a spot in the Atlantic Ocean. People talk about disappearances there. Some say something strange is happening. Others aren't so sure. They think it's all made-up.

### COMPARING BELIEVERS

**About 59%**  
**of people**  
believe the spot  
is safe.

**About 41%**
