A Day in the **Life**

A **bull** moose stands in the woods.
It hears a noise coming from its right.
Facing the sound, it sniffs. Black bear?
The moose turns left and runs. Its long
legs help it leap over logs.

Supper Time

The moose comes to a swamp. Head in the water, it pulls up plants to eat. It walks into a deep part and dives down. The tasty plants at the bottom are just what it needs.

The moose swims to shore. Once on land, it turns toward a new sound. It's a moose **cow** mooing. The bull takes off toward the cow.

How Big Is a Moose?

**HEIGHT
AT SHOULDERS**
5 TO 6.5 FEET
(1.5 to 2 meters)

LENGTH
(nose to tail)
**8 TO 10
FEET**
(2.4 to 3 meters)
