A Powerful Car

Indy cars race around a track. They slow for a turn. Then they speed up. Their **engines** scream. Each driver hopes his or her car is the fastest.

engine: a machine that changes energy into mechanical motion

Reaching Top Speeds

Indy cars are strong race cars. They're light. And they're very, very fast. They reach 235 miles (378 kilometers) per hour.

COMPARING TOP SPEEDS

Indy car ◀
