# Fun to Watch

A heavy robot rolls on the floor.  
It shoots fire at another bot. That bot  
doesn't run away. It rolls closer. Then it  
flips the other bot into the air. It's a  
robot **battle!**

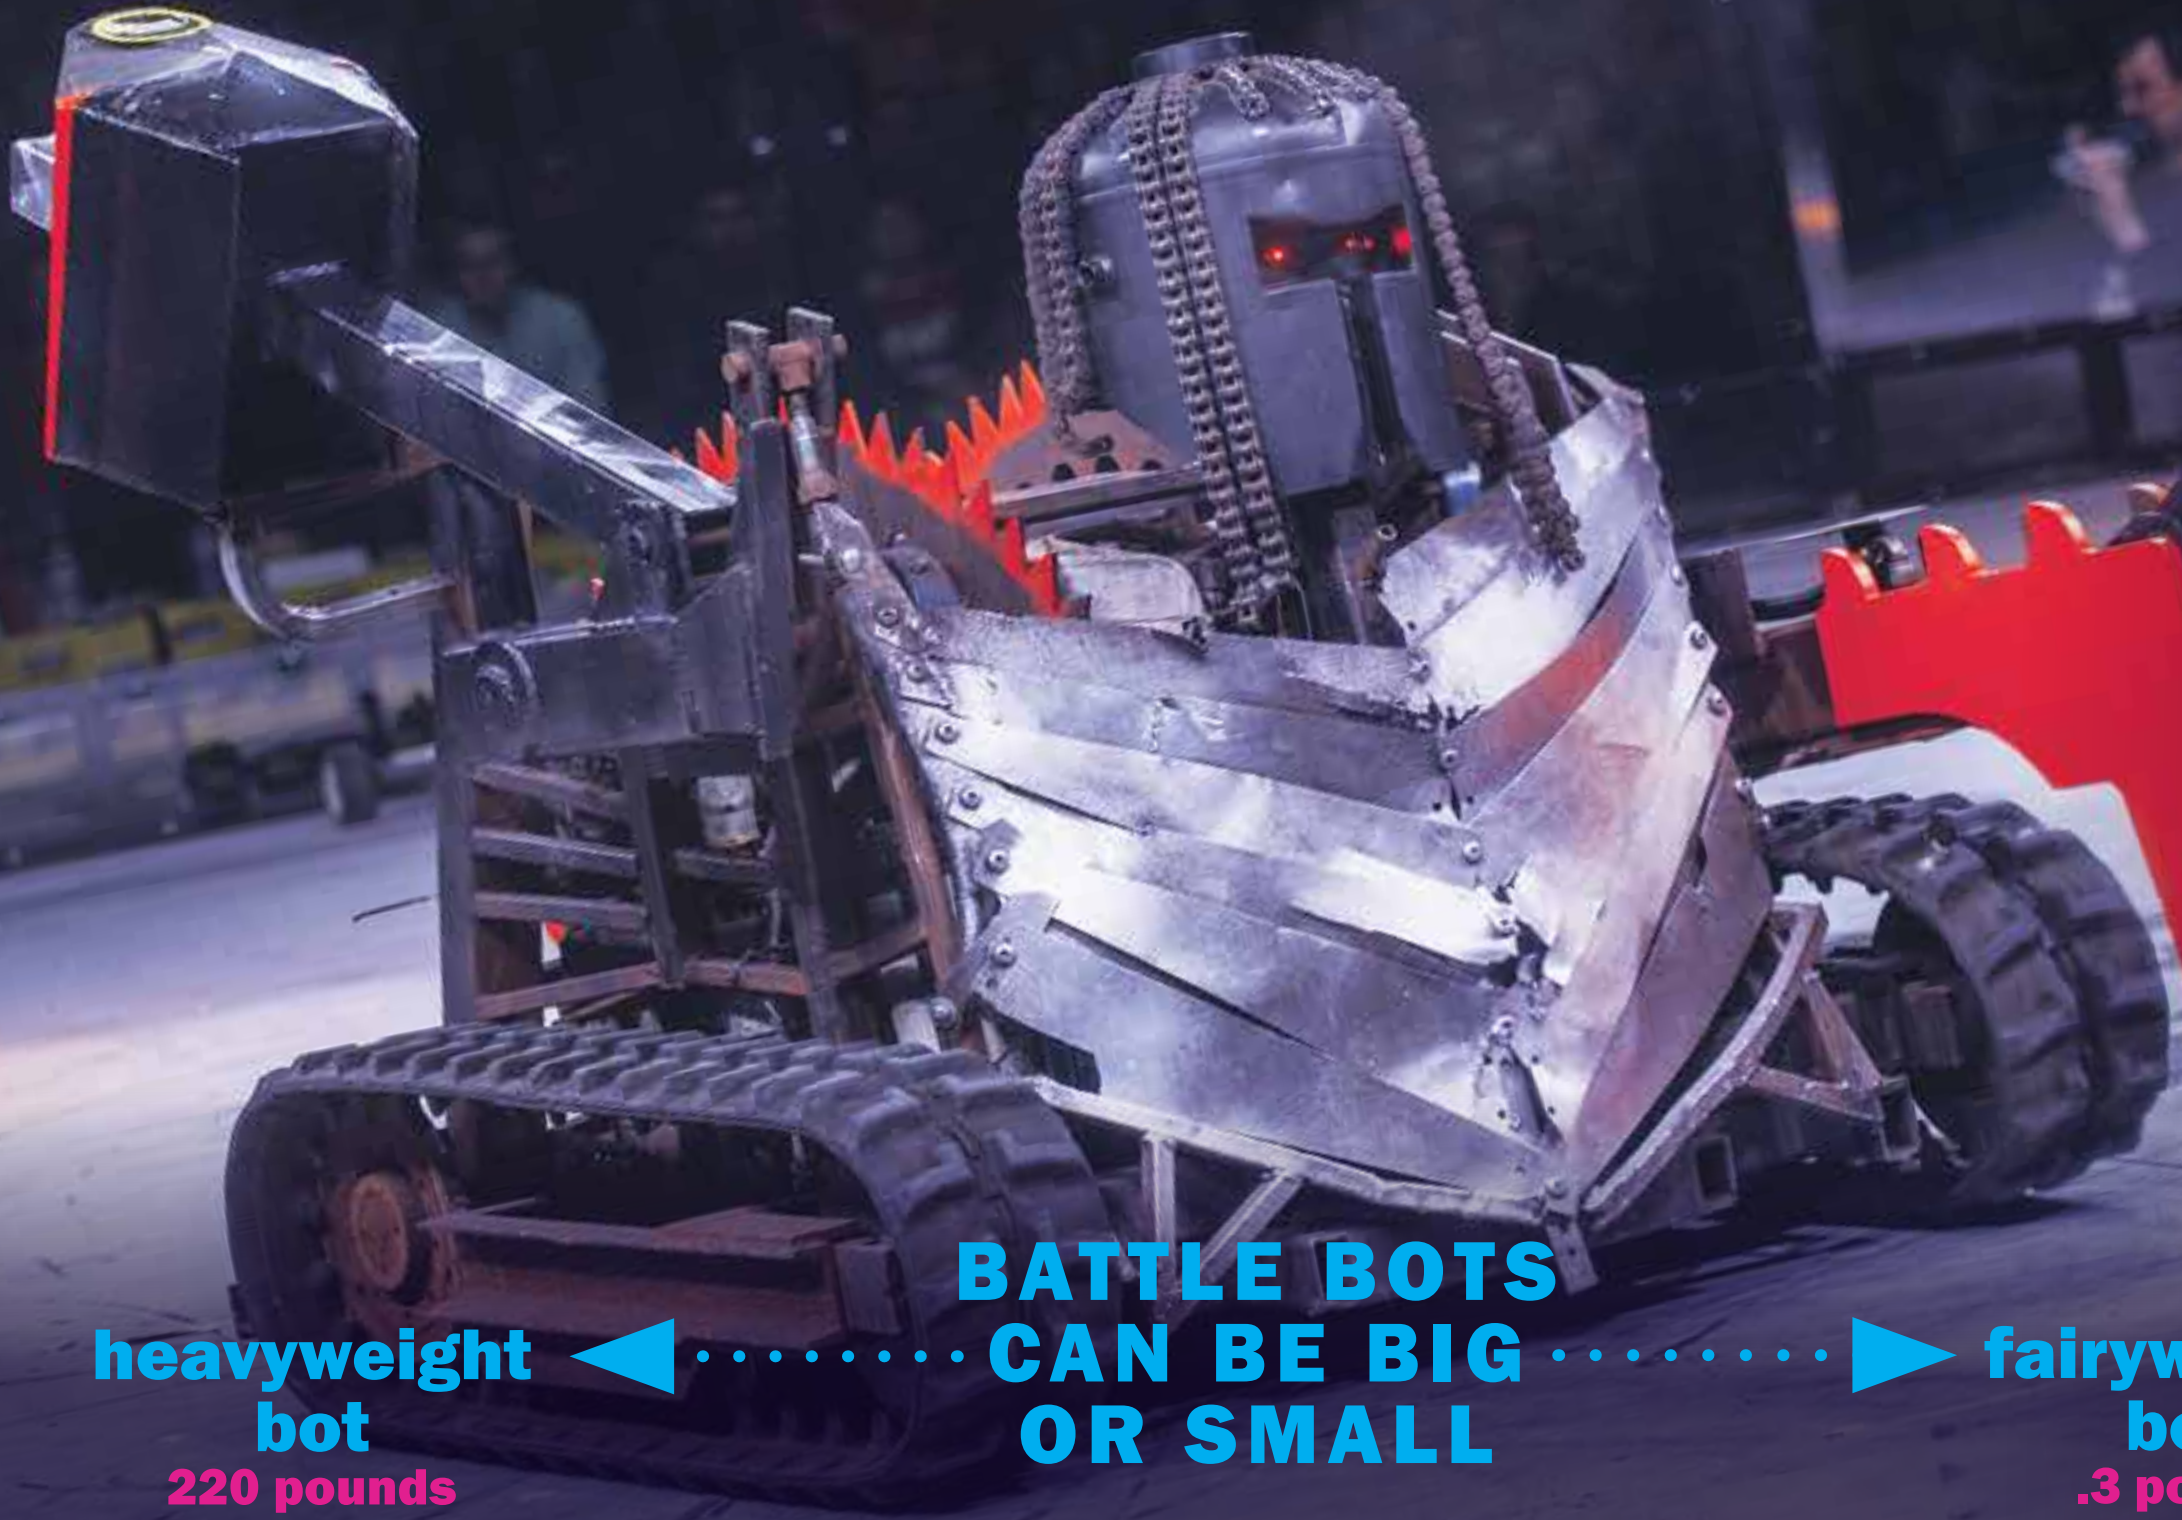

**battle:** a fight

# Built to Win

People build bots. They put weapons on them. Then they drive their bots with remote controls. They use the weapons to fight.

**heavyweight bot**  
220 pounds  
(100 kilograms)

**BATTLE BOTS CAN BE BIG OR SMALL**

**fairyweight bot**
