Helpful Bots

A **military** truck travels on a road.

Suddenly, the driver spots a **bomb!**

Soldiers pull a robot from the truck.

The bot rolls toward the bomb. The bot shuts the bomb down.

military: relating to soldiers, an army, or war

bomb: a weapon that explodes

Staying Safe

Military bots have many jobs. Some stop bombs. Others fly and shoot enemies. The bots do dangerous work. Soldiers can then stay safer.
